DESCRIPTION

Management Consultant required
Remuneration: Typical earnings £60,000+ (SELF EMPLOYED ROLE)
Are you looking for a new direction in your career or additional services to add to your existing business? Our client is actively recruiting for a Management Consultant to join their business. They are an organisation of experienced business professionals that enables owners and managers of small to medium sized companies (SMEs) to achieve their business and personal goals. Our client is not a franchise with massive franchise upfront fees. They prefer to have very modest joining fees, which then allow the Accredited Member to decide if and what training is required. Their 200+ successful accredited Management Consultants who have hands-on experience and combined with our clients unique approach to business development, have created a solid track record of delivering the support strategies that companies need to succeed. Our client is looking for a Management Consultant who is an ambitious, self-motivated individual with proven senior management experience to assist our client to meet the demands needed to develop, support and mentor small to medium-sized companies. What our client can offer to Management Consultants:
A new opportunity and / or
a complete change in your career direction
An increase in income from your existing

Management Consultant
