DESCRIPTION

Grafter is hiring for a range of temporary jobs across the UK. We have clients looking for temporary workers from labourers on construction sites to events staff and delivery drivers.

We currently have a client looking to fill a 'Building & Construction' role with the following description: 'some repairs and fixing plasterboard to fix collapsed ceiling'.

You would be engaged, managed and paid directly by the employer, using the Grafter platform.

Start Date: 30/06/2020

Duration: 3 Days
