**Location:** Nottingham, Nottinghamshire  
**Salary:** £35,000 - £45,000 pa + Additional benefits  
**Reference:** CB \ BBBH12337  
**Job Type:** Permanent  
**Sector:** Accountancy Support  
**Closing date:** 03/08/2020

**The company**

A market leading business with a turnover around £50m in Nottingham are looking to appoint a Finance Manager to join their expanding finance team. This is a completely new role and the business has seen huge success over the last 5 years with double digit growth year on year.

**The job**

This Finance Manager will work extremely closely with the FD and this is a pivotal new role for the business. This role will appeal to a candidate who is looking to join a business who has a strong track record of success and are continually looking to add to their revenue streams by acquisition and organic growth.

The role will oversee all of the statutory reporting requirements and also oversee a team of five within the department.

This role will have full responsibility for the following remit:

Full responsibility for financial reporting, monthly management accounts, and transactions  
Take responsibility for a growing finance function from qualified to transactional level

**Finance Manager : Manufacturing : High Growth : Nottingham****Price £0**

accountants overseeing a team of five

Management of the annual budgeting and forecasting process including cash flow forecasting

Prepare and complete all statutory compliance, including VAT and Corporate Tax

Analyse business performance to the senior management team advising on potential improvements and supporting the implementation of these improvements.

Ad hoc projects including preparing the budgets for these against predicted & actual costs

Take the lead on the annual audit and being the point of contact for the external auditors

Oversee payroll and transactional processes including invoicing

Take responsibility for helping implement a new finance system and improving processes

The business is looking to appoint an individual who can play a major part in the long term future of the business and business partner with internal and external stakeholders

The person

Fully Qualified accountant ACA, ACCA or CIMA

Experience within a growing SME would be useful but not essential.

This role might appeal to someone looking to make their first move into industry from practice

Candidates must be able to use Excel to a high standard and be an effective communicator

Experience producing monthly management accountants and statutory accounts

A driven, proactive and reliable accountant with a strong track record of leading a team.

The benefits

£40,000 but dependent on experience may flex on this

33 Days holiday including bank holidays

Fantastic working environment with great office where everyone is highly valued within the business

Flexible working and currently working remotely

Corporate benefits and discounts for employees
