DESCRIPTION

Maxxima has a new opportunity for an experienced General Radiographer in Berkshire. You will be working Monday to Friday, 40 hours per week. The ideal candidate will have an expert understanding of Diagnostic Radiography practices. The role is available to start ASAP, and is ongoing. The starting pay rate for this post is £24-25 per hour. You must have a relevant qualification in Diagnostic Radiography. Why work for Maxxima? Practical assistance with relocation, accommodation and DBS/CRB checks Dedicated and experienced consultants Dedicated payroll consultant to ensure prompt payment Guidance and advice on CV and interview techniques Practical help with professional body registration A choice of PAYE, umbrella or LTD company payments If you are interested in this role, please apply by clicking the apply button. Or if you would like more details about this role, contact the team today, we always have time to take your call. Reasonable adjustments: If you consider yourself to have a disability or require any reasonable adjustment during the recruitment process or within the workplace, please highlight this at the earliest opportunity by contacting our team. With this information, we will provide support to you throughout the process and into your work placement. Recommend a colleague: Often, our candidates are so pleased with our
