DESCRIPTION

Are you an experienced caregiver? We are looking for Nurses, Physiotherapists, Occupational Therapists or Paramedics who are looking for a brand new challenge with countless career progression opportunities. Are you looking for a better work-life balance? Are you looking for better benefits in your next career move? If so, this role is definitely for you! As a PIP Disability Assessor, you will be responsible for carrying out full holistic, face-to-face assessments with individuals who have a varied range of physical and/or mental health disabilities. These individuals are seeking to receive the PIP benefit scheme. Part of your role as a Disability Assessor will be to use your clinical experience by looking into various different activities of daily living and doing a physical assessment if necessary, to understand the severity of their conditions and what their limitations are. In addition, you will gather your findings into a comprehensive and concise report and interpret medical evidence to support the decision-making process. This role is ideal for those who are passionate about delivering high-quality care, yet are ready for a brand new challenge in a more non-clinical setting. Salary Offered: * 32K increasing to 34k. Progression: * Internal progression to Clinical Support starting at £35K or Clinical Support Lead £40k plus car allowance and mobile phone. Working Hours: * Monday
