Are you looking for a Care Assistant Job in Benfleet? Would you like to earn between £237 and £380 a week? Cera Care is recruiting in the Benfleet area with immediate starts available. We have part-time and full time positions as well as flexible hour contracts available. Working as a carer at the heart of your community enables more people to live independently at home for longer. We are disrupting the home care industry through technology and our people and we want you to be part of the team! As a Cera Carer you will be given your own Mobile and App which reduces the time you have to spend on administrative tasks, resulting in better quality of care. We also offer fantastic benefits including a £250 joining bonus and the Care Friends referral scheme where you can earn extra ££ for sharing our roles with your friends. What can you expect from the role? As a Cera Care Assistant, you will be required to provide personal care and practical and emotional support to clients in their own home, whilst helping them maintain their independence. Your role is based within client's homes and you will usually visit several clients each day - therefore a driving license and your own vehicle is essential in most locations. Your main daily duties will include:

- Visiting clients in their own homes within the local community
- Supporting all aspects of personal hygiene
- Supporting with all aspects of
