DESCRIPTION

Are you looking for a Care Assistant Job in Ashford? Would you like to work for an organisation that is changing the face of care in the community? Cera Care is recruiting in the Ashford area with immediate starts available. Amongst other benefits we offer a FREE DBS, paid assessment day training and a retention bonus of £250. Your role is based within client's homes and you will usually visit several clients each day - therefore a driving license and your own vehicle is essential in most locations. Cera Care is the fastest growing UK provider of quality care, mixing technology with kindness to deliver better care. We have made it our mission to improve service delivery across the care sector by utilising our very own bespoke technology, designed to empower our Professional Care Assistants and enable our service users to live more independently - and you could be part of our mission for change! What can you expect from the role? As a Professional Care Assistant, you will be required to provide personal care and practical and emotional support to clients in their own home, whilst helping them maintain their independence. Your main daily duties will include:

- Supporting all aspects of personal hygiene
- Supporting with all aspects of medication
- Meal preparation
- Helping our clients move around their home
- Ensuring administration & reporting is carried out for
