DESCRIPTION

Teleperformance is a worldwide leader in multichannel customer experience management. We are experts in the call centre services industry and add value to our client's service by delivering great customer service and solutions on their behalf. We've been providing superior customer care for leading brands throughout the world since 1978 and every year we interact with more than 35% of the world's population. Teacher Training Advisor Start Date: 4 th January 2021 Salary: Dependant on experience Location: Home-based, role is not location specific Hours: Full-time 36 hours per week Training Duration : Initial 3 days intensive training followed by longer term on the job training & mentoring Contract: Temporary to cover maternity leave Is this role right for you? Teleperformance have a fantastic opportunity for people with a strong background in teaching. We're looking for two people to fill maternity cover roles starting in January. The successful applicants will support and guide candidates who are considering becoming teachers from the early enquiry stage through to successful application to teacher training courses. The Teacher Training Adviser team supports people to apply in the current recruitment cycle. Whilst working as part of a home-based team of advisors, this role does involve careful planning and organising of your own time to achieve the highest result possible.

Teacher Training Advisor - Home based, not location specific**Price £0**

Objectives Support each individual in your cohort to explore teaching as a career and the process of becoming a teacher Ensure that as many of your cohort as possible are successful in gaining teacher training places in England Host and support local, national and online events.
