**DESCRIPTION**

Department of Medical Microbiology Specialist Biomedical Scientist/Biomedical Scientist 37.5 hours per week Salary: £31,365 - 37,890 An opportunity has arisen for an experienced Specialist Biomedical Scientist to join our small but friendly team of Biomedical Scientists We are seeking an experienced, enthusiastic Biomedical Scientist who is HCPC registered and has completed the IBMS Specialist portfolio (or equivalent) in microbiology and has extensive experience of working within a clinical microbiology laboratory. The department is equipped with a BacT/ALERT, Cepheid GeneXpert, MALDI-TOF and Biofire TORCH film array and currently processes about 65,000 paediatric specimens per year. The department has UKAS ISO: 15189 accreditation and IBMS Training approval The core working hours are 9am-5:30pm Monday to Friday The department operates an extended working day until 11pm 7 days a week and an on call service. In addition there is a separate rota for weekends and Bank holidays. The successful post holder would be expected to participate in the extended working day, on-call, and weekend and bank holiday rotas. For further information or to arrange an informal visit please contact Catherine Hatch Lead Biomedical Scientist 0151 252 5267
